A SALUTE

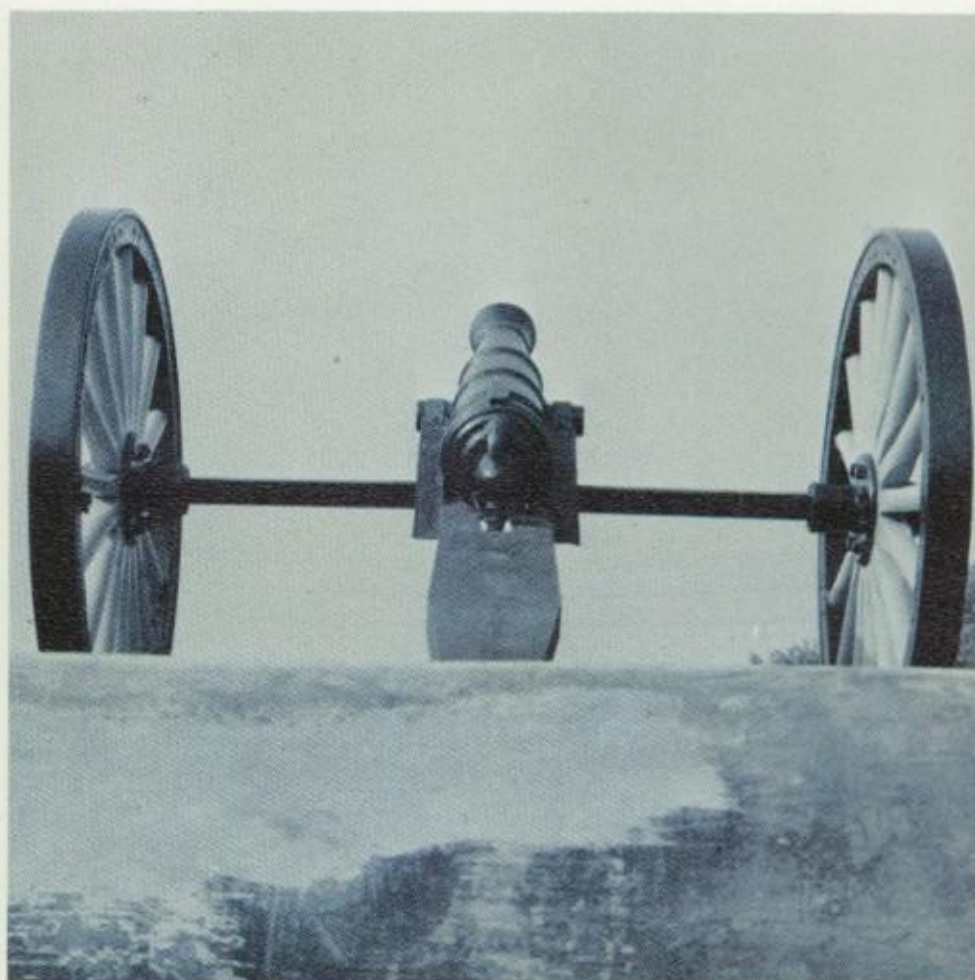

TO SENTINEL SPIRIT

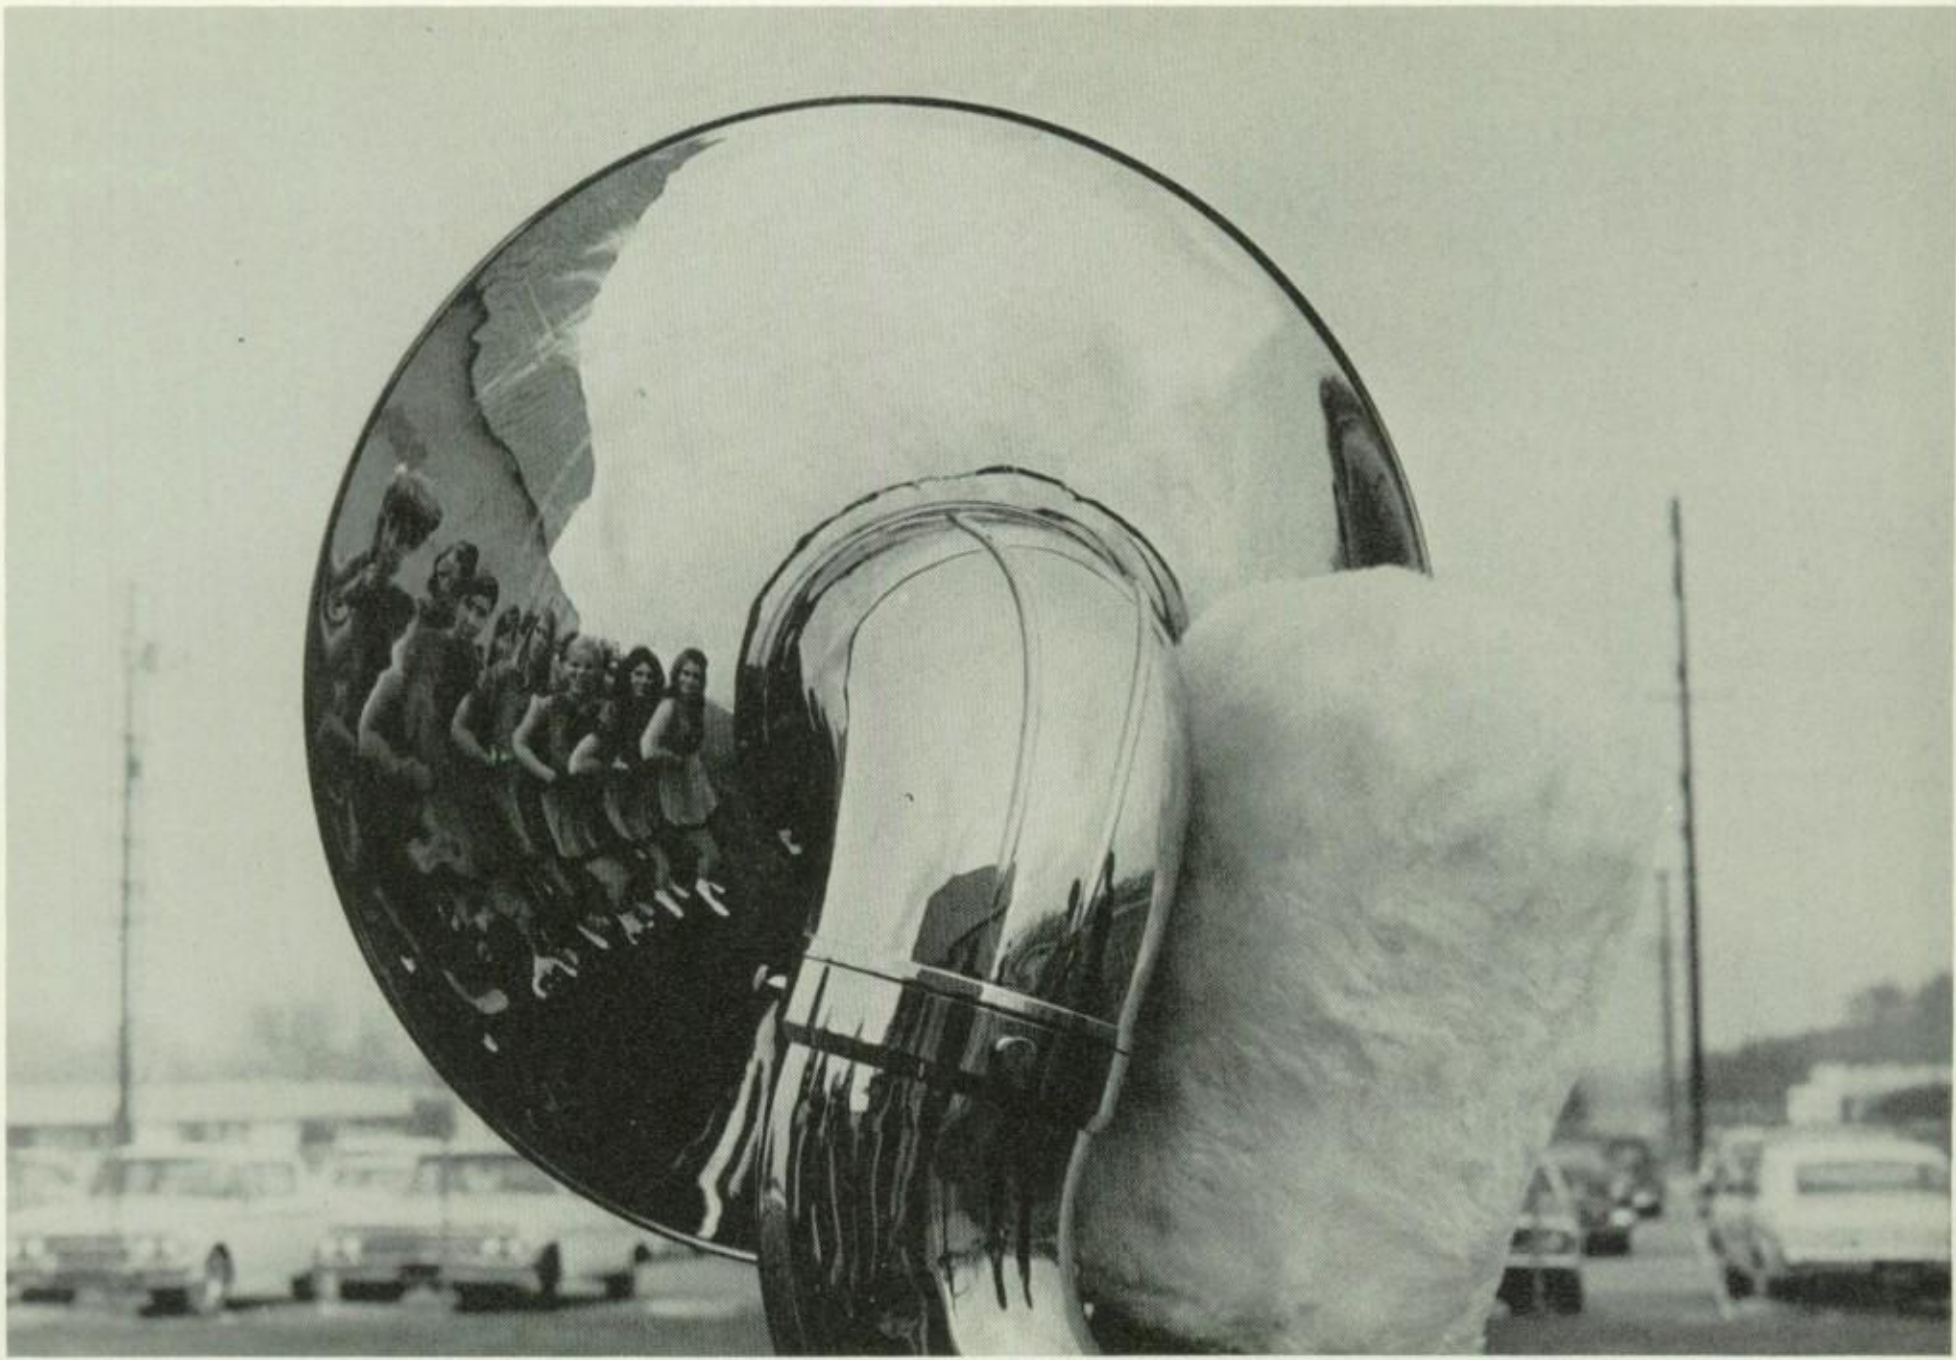

Roar of cannons and blast of gunshot fail to muffle the echoing footsteps of those Sentinels fighting on a distant battlefield to preserve the Spirit of Magnolia - it is to these proud Americans that we dedicate The Cannon, '68.

HOME OF THE **WTA**

sparks a lasting tribute in
the words of an alma mater.

Magnolia forever,

we praise and honor thee

The best of all schools

we'll remember

in days to be.

Great school of the West

with teams only best

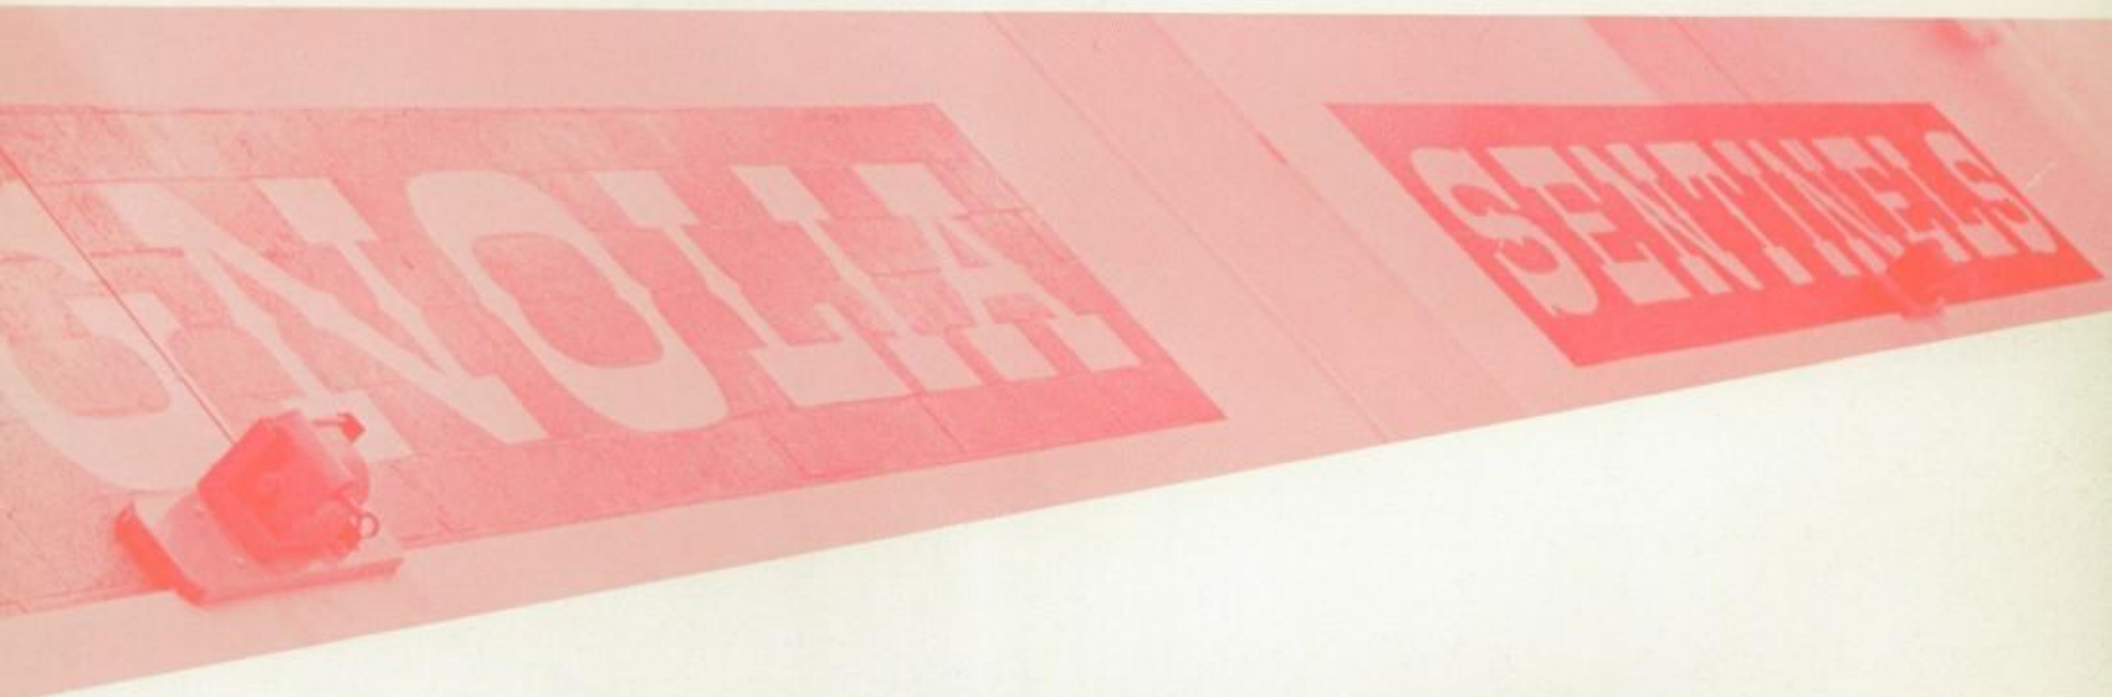

and

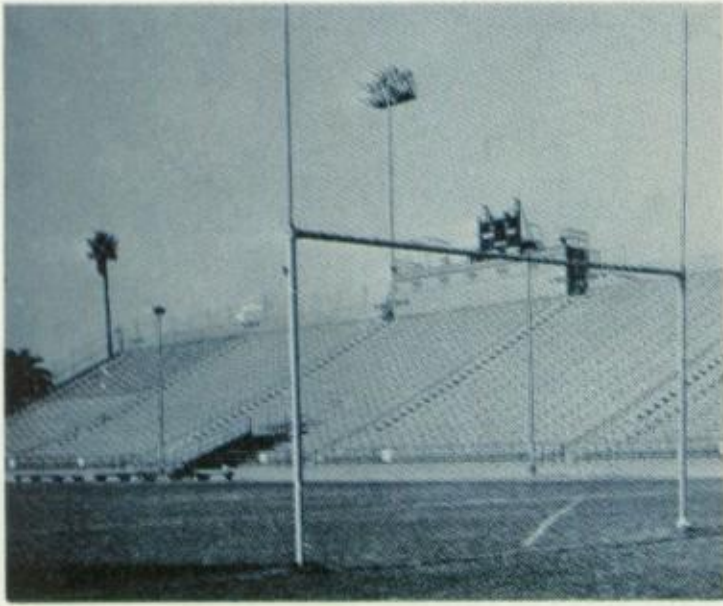

wearing our colors true.

Help us to uphold the

black and the gold,

And always our best to do.

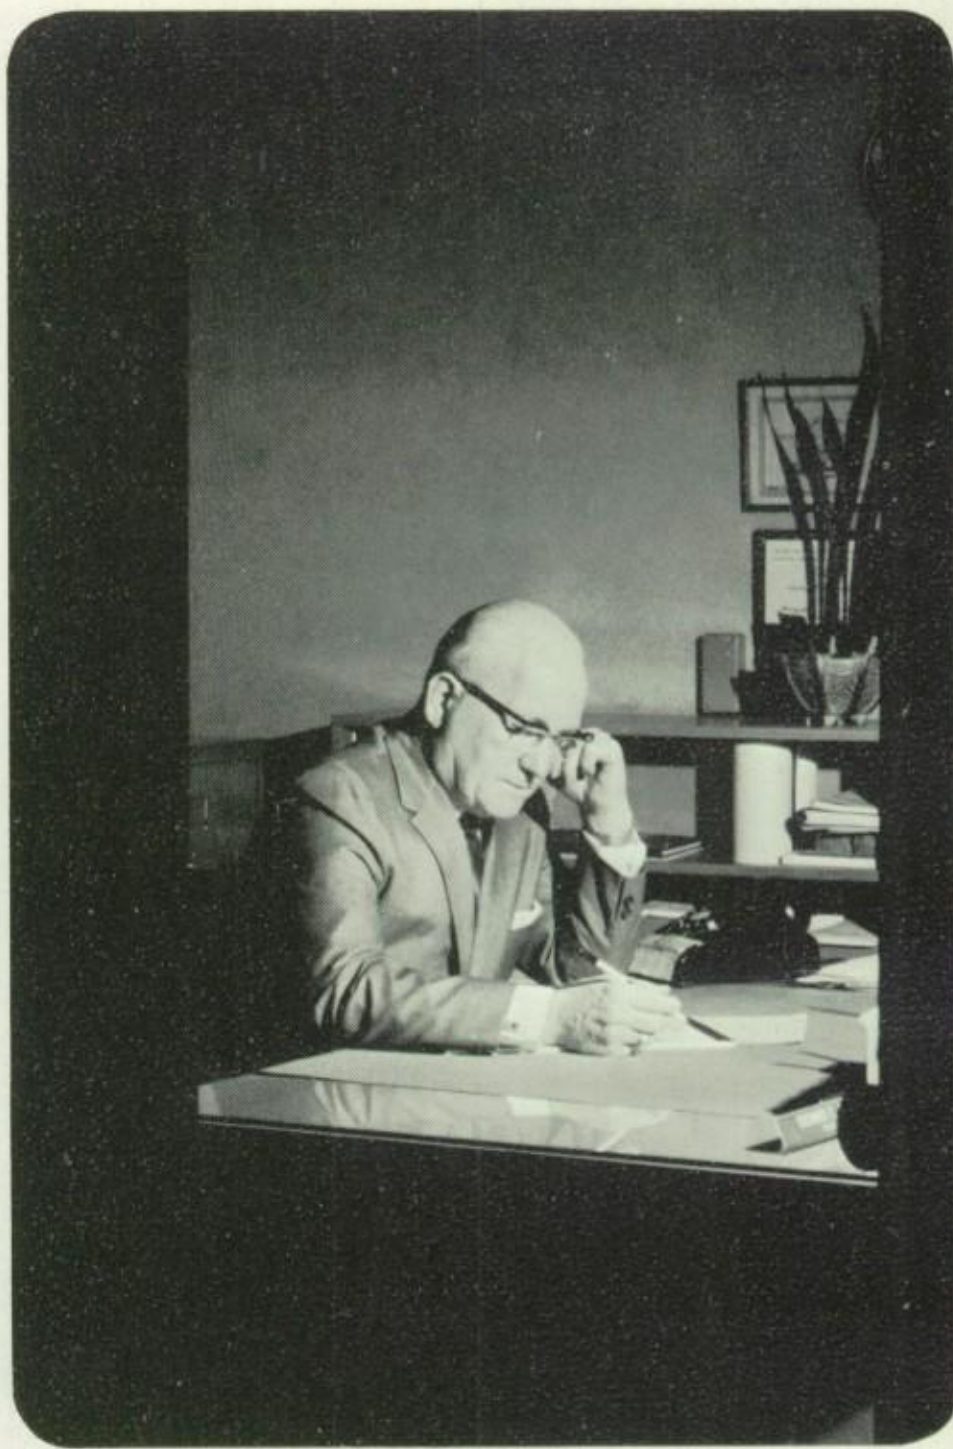

*and silently echoes the
endless cheers of a time
now past.*

Mr. Ryan, Principal

Hard at work.

Vice-principal, Miss Myra Hotchkiss; principal Richard Ryan; vice-principals, Bill Jones and Arnold Gaynor.

Seniors, this is my last salute to you as a class. When you leave our campus, your paths will be wide and varied and many will never cross again. I and the other administrators will be thinking about you and wondering how you are doing.

You have put in three long, hard years at Magnolia High School and I hope you have met your goals. Henry Huxley, the English scientist, once said: "Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do when it ought to be done, whether you like it or not." It is the first lesson that ought to be learned; and however early a man's training begins, it is probably the last lesson he learns thoroughly.

Goodbye— my thoughts and my prayers go with each of you.

Mr. Allen, Activities Director

Choose one expression after reading this yearbook.

Mike whistles as he works.

Homemakers give a shower.

For any system to function smoothly and efficiently, it must depend on its many divisions. Whether it is a political system or an educational system, it requires aid and advice from its various departments. One of those essential divisions at Magnolia is organizations. Without its many clubs, Magnolia would be a sad place indeed. Clubs raise money with candy sales; promote activities and field trips; help our foreign exchange student program; creatively decorate our campus; mastermind spirit week, and in general, provide that all-essential backbone of spirit and pride without which no system could exist.

ORGANIZATIONS

A.S.B. President, Mike Forrester

Mike Forrester has been an outstanding student at Magnolia for the past three years.

As Student Body President he had many duties. Every morning he would lead the entire student body in the flag salute. Second period Mike would give the student announcements.

His most important job was being head of the Student Cabinet, which controls most of the student activities and works with the administration.

Mike has been a fine Student Body President and every Sentinel on campus appreciates what he has done this year, the year of nineteen hundred and sixty eight.

Al Sanchez is one of the most outstanding Sentinels on campus. As vice-president he leads the Senate and helps to make the many decisions the Senate must make throughout the year.

Being A.S.B. vice-president is not an easy job and Al has shown the Sentinels how easy a difficult job can be done.

Boys' League president, Al Johnson and Girls' League president, Sally Wilder, also functioned well as campus leaders.

Vice-President, Al Sanchez

Sentinel Senate

LEFT TO RIGHT: Donna Collins, Chris Jensen, Monica Davis, Betsy Wyman, Al Sanchez, Mark Ward, Steve Smith, Pam Fowlie, Cindy Kramer, Robb Rabbin, Jan Adamson, Kathy Wilson, Joanne Kline, Helen Sneyd and Yogi Guerrero.

Magnolia's Senate is elected by the student body. Each member is required to come to all of the meetings.

The Senate is very important in the law making process at Magnolia. Before any bill is passed it must go through the Senate before it can be passed or become a law.

During the year, the Senate tries to revise Magnolia's Constitution to make the school year more successful for the Sentinels.

The Senate works under the Vice President and our activities Director, Mr. Allen.

Al leads the Senate.

GIRLS' LEAGUE

The purpose of Girls' League is to represent all the girls at Magnolia. Each girl on campus is a member of this club.

During the year they sold mums for homecoming and had a dill pickle sale in March. At Christmas time they made Christmas stockings for orphans. For fun they took a trip to the dating game in Hollywood.

Would you believe I just had my hair done?

FOURTH ROW: Cindy Wilson, Linda Tsuruta, Pat Casey, Beth Heard, Janis Parker, Sherry Miller, Sherry King.

Magnolia's Speech and Debate teams carried on the Sentinel tradition by representing our school in numerous meets and returning to our alma mater victorious. For the first time this year, they sponsored a speech tabloid that recorded the important events that were of interest to its members. As a major fund raising project, members sold refreshments at football games. Their goal—to reach the National Forensic Finals. Their destination—Hawaii.

National Honor Society

Invitations became the requirements for membership into Magnolia's National Honor Society for '68. Those students qualifying with a 3.4 or above grade point average then had to be graded by each of their teachers on a leadership basis before being given an invitation to become a member. Under the direction of Mrs. Moxness, members published a creative writer's magazine and planned other fund raising and fun activities for the year.

TOP ROW: Richard Hall, Nicki Johnson, Mike Sapp, Steve Harris, Darrell Spaulding. SECOND ROW: Mike Forrester, Mike Riley, Chuck Goux, Eric Taggart. THIRD ROW: Jim Evans, Tom Smeltzer, Roger Mayer, Glenn Sugihara, Bill Barlow. FOURTH ROW: Karl Muzikar, Jack Dacey, Linda Jacobson, Becky Cline. MIDDLE ROW: Neil Rubenstein, Jim Kajiya, George Freund, Greg Plunkett, John Sutherland, Mike Forrester, Jim Yoshikawa. BOTTOM ROW: Melanye Moon, Janis Wilensky, Sue Pederson, Vickie Bartlett, JoAnne Whitehead, Cheryl Prokop, June Murray.

California Scholarship Federation members once again represented those students who have maintained an outstanding grade point average and who have proven their abilities during the school term.

Members must apply to this honor group on the basis of earning ten points during the preceding semester. These points are awarded on a letter grade basis—"A's" counting three points and "B's" rating one point. These applications are then reviewed by a membership board. C.S.F. gold seal bearers claim this academic title for a lifetime and it is an excellent recommendation in either job or professional or educational opportunities. The annual C.S.F. banquet honoring those Seniors leaving the active group is held in May, sponsored by the Junior members. Miss Holland advises the organization, which sells almond roca candy as their annual fund-raising drive.

President—Mickey Muzikar

KEYMATES

Keymates is a club to help in bettering our school and community by collecting soap and kool-aid to send to our men in Vietnam. Their services also consist of friendly picnics with the Key Club.

They also give canned foods and turkeys to needy families during Thanksgiving, and send dolls to children hospitals. To raise money they sponsored a bottle drive and a co-rec.

Jim LaMorte, President

*Mike Buchanan,
Vice-President*

Magnolia's Key Club, under the direction of Mr. Setterlund, performed many special services for both the school and the community during the year. During National Key Club Week, they represented the Circle K. at many activities including a breakfast. They sponsored the Kiwanis Bowl competition November through March, and gave the TOLO Dance in May. Members also hold guidelines at assemblies and passed out printed warnings to lock cars because of the increase in car thefts in Orange County. They well-represented the Sentinel fighting spirit in all activities.

INTERACT

Under the leadership of President Fred Anderson, Interact joined the other service organizations on the Magnolia campus. They began the year with performing various projects on campus. Unlike Key Club, Interact has no sister organization. Perhaps this will be one of their projects in the planning for next year's activities.

TOP ROW: Jim Blaylock, Steve Rachunok, Gary Kiker. SECOND ROW: Mike Forrester, Steve Thornton, Steve Moekler. THIRD ROW: Randy Trumbauer, Chuck Howard, John Curtis. FOURTH ROW: Gary Lindienstien, Fred Anderson, Dan Rubin.

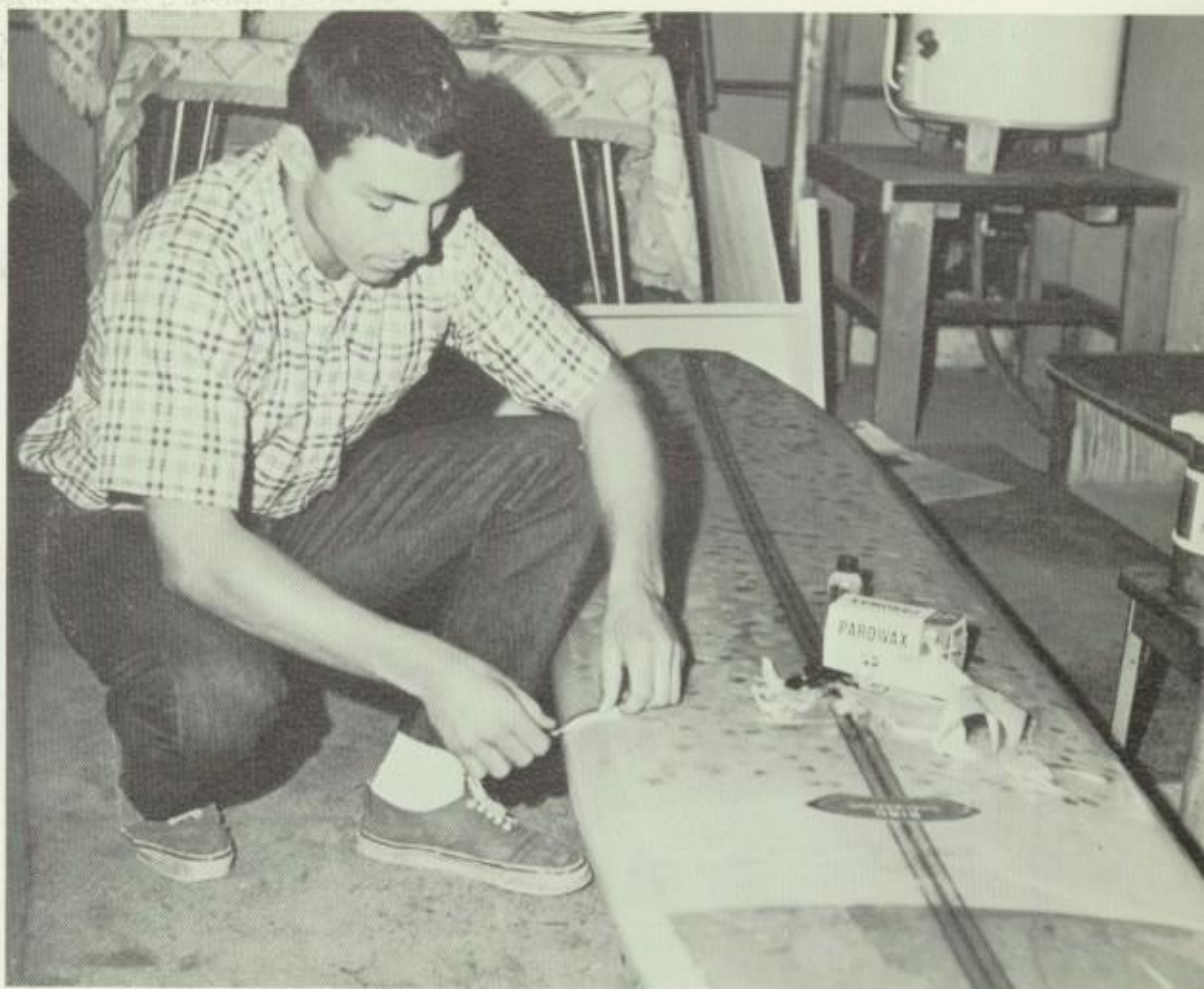

President, Fred Anderson

NATIONAL SURFING ASSOCIATION

Magnolia's National Surfing Association founded this year by those Sentinel coast lovers who thrive on the more natural elements of Southern, California, headed the list of new clubs on campus. Their membership was based on an avid interest in this year around sport and ownership of a board. Members spend many weekends and holidays at informal club gatherings sporting the bright colors of the surfing uniform. Under the direction of Mr. Abella, they managed many club meetings under the sun.

There's more to it than you think.

THIRD ROW: John Jackson, Mac Williams, Richard Levandowski, John Goles, Steve Middleton, Chuck Wachter, Mark Torriani.

FUTURE HOMEMAKERS OF AMERICA

For those girls interested in becoming homemakers of tomorrow, Magnolia sponsors a Future Homemakers of America club to which membership requires only an interest towards home activities. It also sponsors the campus division of Co-Ed magazine and the Betty Crocker Homemaking contest, whose honors were claimed by Karen Poetschlag for '68.

TOP ROW: Cindy Kramer, Diana Mellin, Sylvia Smith, Marty Smith. SECOND ROW: Penny Tennant, Terry Cautineault, Janice Smith, Jill Sturges. THIRD ROW: Vicki Benson, Cheryl Ray, Stephenie Munday. FOURTH ROW: Bonnie Morales, Sandy Morales, Vicky Guard, Norma Legan.

Sweets for the Sweet.

SCOPE

With such a mysterious name, Magnolia's Student Committee on Political Education had to provoke many a questioning stare when recruiting members. Their purpose, as founded by Robb Rabbin, President, was to stimulate student interest in politics and research this field. This goal was accomplished by passing out informative literature, including their own magazine, and sponsoring several assemblies with controversial guest speakers.

Membership was open to anyone interested in learning more about their political system and the organization of both national and state governments.

FIRST ROW: Mike Donnelson, John Cohen. SECOND ROW: Paul Rheinholdt, Larry Gabraisch. THIRD ROW: Neil Rubenstein, Bonnie Hess. FOURTH ROW: Karen Cordova, Sharon Phipps. FIFTH ROW: Brenda Cordray, Pam Sinclair.

PRESIDENT: Robb Rabbin

TOP ROW: Chuck Cargo, Debbie Howell, Larry Esmino, David Panter, Tony Dancy. SECOND ROW: Janet Jones, Sue Dauser, Claudia Coleman, Bonnie Turner, Teresa Pitman. THIRD ROW: Paula Baily, Diane Hamilton, Fritzie La Vallee, Claudia Tantzen, Debbie Tesauo. FOURTH ROW: Belinda Leap, Vickie Carpenter, Kathy Esmino, Lillie Soave.

FUTURE BUSINESS LEADERS OF AMERICA

The general hum of a dozen working machines testifies to the presence of the Future Business Leaders of America on the Magnolia campus. Besides an annual sucker sale which nets a high profit, members raise the funds needed to attend a national conference which is held in California. They also publish a business magazine relating the club's activities and interesting facts on the business scene. They are sponsored by Mrs. Bradley, and members are those Sentinels interested in entering the world of big business.

MEDICAL CAREERS

FIRST ROW: Mary Roy, Mike Forrester, Tom Smeltzer, Tom Pusen, Judy Bosch, Kathy Justen. SECOND ROW: Mary Haley, Penny Tennant, Suzette Moxley, Mariann Vitamanti, Debbie Rouch, Linda Flanders. THIRD ROW: Debbie Yeager, Sherry King, Jack Dacey, Claudia Tantzen, Edna Tennant. FOURTH ROW: Vickie Robinson, Lorraine Monier, Barbara Packard, Lilly Soave, Sherry Simas.

Medical Careers Club membership is open to all those students interested in pursuing an occupation in any field of medicine. Under the direction of Mrs. Hirsch, school nurse, members became active in a club sucker sale and a county health program sponsored by the Orange County Medical Association. They also made several field trips during the school year representing Magnolia in the field of medicine.

The M.I.T. which stands for Mechanical Industrial Technicians, is a boys service club. The President is Bill Madden with Gary Green as Vice President, treasurer Steve Dreyer and secretary Jim Estrada. The purpose of M.I.T. is to do service projects for our school and help promote better leadership.

FUTURE TEACHERS OF AMERICA

Eric Taggart, President

An attentive scene witnessed during a district-wide F.T.A. conference sponsored by the Magnolia chapter.

Bonnie Hess, Secretary

A relatively new Future Teacher's Association of Magnolia's campus staged a successful conference during February. Over thirty schools were invited to attend the conference at which Mrs. Charbonneau officiated, and several teachers spoke including Mrs. Clifton and Mr. Flower. The club also sponsored fund raising activities during the school year. Membership requirements include a good grade point average and an active interest in the teaching profession.

FIRST ROW: William Barlow, Nina Jo Parvin, Donna Stake, Eric Taggart. SECOND ROW: Linda Jacobson, Maureen Peyton, Bonnie Hess. THIRD ROW: Cindy Wilson, Bonnie Parker, Joey Wilson, Janis Wilensky.

AMERICAN FIELD SERVICE

The American Field Service Club was formed to promote the exchange of students and cultures of other countries. The club sponsored the Christmas formal, a post game dance, a sucker sale, and a bond sale. During March, the foreign exchange students from other schools came to Magnolia for our A.F.S. Day.

Pål Reinholdt

It did not take many of these hot summer days of September for me to feel the spirit on the Sentinel campus. The first thing I saw were posters "Howdy Paul." This was at the airport where I was met by Mike Forrester, Roger Mayer and the rest of the AFS officers.

I started knowing this was different from Norwegian schools when I saw the "Howdy Sentinels"—posters the 11th of September. The cheers that met me in the first assembly are a memory that will never disappear.

Later at the games, I saw how the whole student body cheered the teams to victory. The coaches and the athletes do a marvelous job to promote Sentinel spirit. Other important factors are the Continentals, the band, the clubs and the other student organizations.

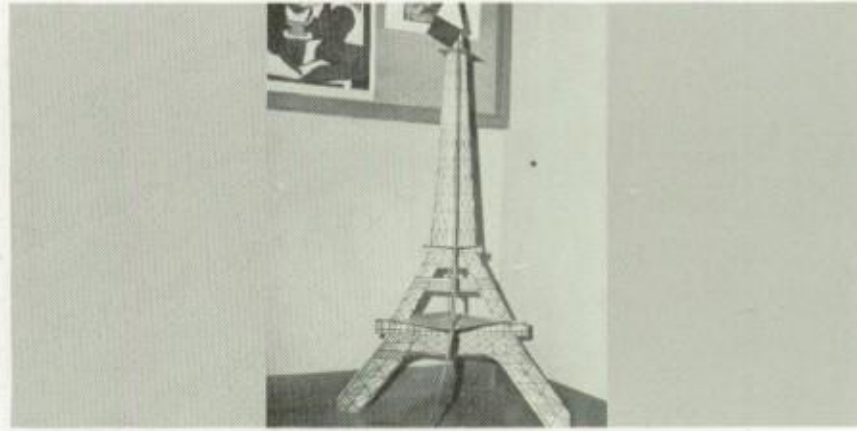

The faculty must not be forgotten. But most important is the attitude that every single one of the Sentinels has towards the school. In Europe, schools are more or less places where you learn from books and teachers. You find no drill team, clubs, song and yell leaders who are a vital part of school spirit. The student organizations in Norway, however, realize the importance of activities, and a change will slowly come.

I have not seen many schools other than Magnolia, but I still think I am right in saying that Magnolia is the "great school of the west," home of the superior Sentinel Spirit.

Spanish Club

Language opens the door to understanding. This is the goal of Magnolia's Spanish Club. Under the supervision of Mrs. Zelaya, members made an annual trip to Olvera Street in Los Angeles. Requirements center on a lively interest in both the language and the customs of Spanish speaking people both here and abroad.

ZENITH CLUB

Magnolia's Zenith Club appears the busiest one on campus. Besides selling candy apples, key rings, and other such specialties, members award a Club of the Year recognition to that club which they feel has best captured the spirit and action of true Sentinels. Under the direction and guidance of Mr. Harbor, they remain active throughout the year at various subjects.

These are the half-finished projects of the future artists of Magnolia.

Hands are the impressions of the universe.

Art club is perhaps the most finished club on campus. They spend many hours on projects ranging from painting to pottery making. Also on their agenda are many visits to art centers or culturally attractive areas in Orange County and Los Angeles. Field trips include excursions to the L.A. Art Museum and the closer Knotts Berry Farm.

PEP CLUB

Spirit sets high in the hearts of Magnolia's Pep Club members. They radiate the true and honest spirit of Magnolia in the tangible objects of victory posters and pep signs, in the figures of a body of cheering people at a football game and the cards spelling out M-A-G-N-O-L-I-A at an assembly. These students spend every Tuesday or Thursday of the school year with paint brush in hand and slogan in mind. They generate the feeling of PRIDE that remains synonymous with Sentinel. These are the people who represent Magnolia at its finest.

And Now A Word From The Front. . .

Putting together a yearbook is not as easy as one might imagine. It involves making many varied page designs, choosing and cropping countless pictures, writing descriptive copy and captions, and the many odd jobs which are so necessary to the yearbook process. The constant pressure of deadlines keep the frenzied staff moving at a pell-mell pace.

Hopefully, the end result of this work is a creative, organized, and polished yearbook. If twenty years from now, you Sentinels can scan these pages and relive some of the excitement and happiness of your 1968 year at Magnolia, then we shall have succeeded.

Now that the last phase of our job is done and the yearbooks are distributed, recognition must be given to the many talented people who put this book together. The mighty staff includes: Cathie Ameden, classes and organizations; Mark Bergeron, faculty and sports; Bonnie Bullard, introduction and organizations; Diana Dame, classes and photographer's assistant; Carol Ernest, organizations and classes; Steve Galewski, sports and classes; Dennis Griebel, photographer; Yogi Guerrero, classes and activities; Judy Harper, faculty and activities; Ken McAlpine, activities; Isabel Runyon, classes; Shirley Sauvageau, activities, and Karen Vasquez, activities. And we dare not forget the very backbone of our operations, advisor Carol Trueman, who pulled us through many a tight squeeze.

To the class of 1968: this book was created with you in mind, and we hope it accurately reflects your final year here at Magnolia.

Sentinels muster spirit at assembly.

A Sentinel's job is never done.

Pride is a Sentinel's middle name, and a lot of it is demonstrated here.

Can you imagine what it would be like if there were no activities constantly taking place on our campus? There would be no dances, no awards banquets, no assemblies, no field trips, no spirit week, no fund raising drives, no homecoming; there wouldn't be much at all. It's a frightening thought isn't it? Aren't you glad you're a Sentinel?

The third annual Magnolia Honors Reception was hosted again by the Faculty Club, and proved to be a most rewarding and enjoyable afternoon. Invited were all those students who earned a 3.0 or better grade point average during the first semester, and their proud parents. Teachers and counselors went through the crowd, talking with parents, and congratulating the students. Refreshments and entertainment were offered, and the entire affair was aimed at stimulating student interest in scholarship.

A Time For Memories

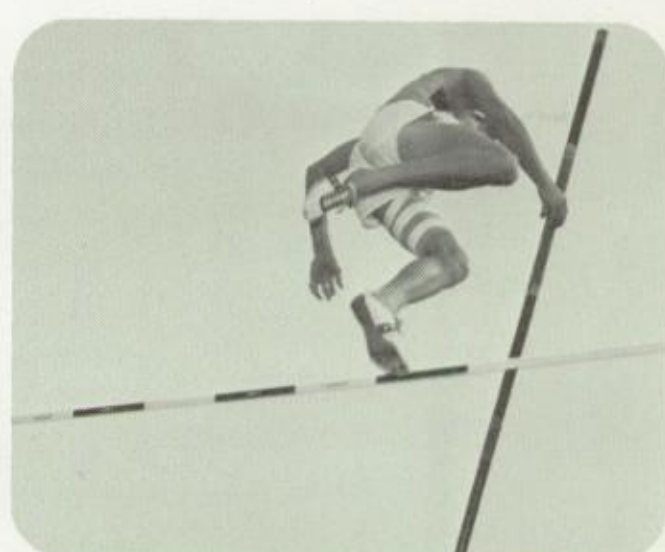

It is rather disappointing that the Spring sports get very little spirit from the Magnolia Student Body. The spirit rises during the football season and basketball season but it always falls the rest of the year. In yearbooks of the past, much has been given to football, and the rest of the sports are crowded in a limited number of pages. Granted football and basketball are the more glamorous of the sports, with the cheers and the song leaders, but believe it or not, the other sports work just as hard and are just as important. Our teams would be much stronger if they had the student body support to give them the feeling that other people care.

Don't let your spirit become seasonal, every team represents our school.

In their 1967 debut, the Sent football team was upset by Bolsa's Matadors.

Behind 21-0 in the first half, the Sents made a valiant comeback effort. Doug Omer scored two touchdowns, and the defense held Bolsa scoreless, but it wasn't quite enough.

Al Sanchez led the defense with 12 unassisted tackles. Ralph Turner had 6.

The Sentinels came back in their second match to rout San Gorgonio 33-0. Touchdown passes from QB Omer, to Gary Flood and Mike Parks led the way to the Sent victory.

Greg Iverson led the rushing attack with 103 yards rushing and one touchdown. Omer completed 6 out of 7 passes for 87 yards and 3 touchdowns.

Magnolia's tough defense led the way for the offense to score by keeping them in good field position.

Al Johnson (32) makes the catch with Joe Rynaik (66) and Mark Torrianni (42) watching.

Sents Outclass Fountain Valley-Brea

In a tremendous team effort, Magnolia outclassed Fountain Valley 35-0. Magnolia rolled up 398 yards on the ground, but both pass attempts were intercepted.

The Sentinels, unscored upon in their last two games, held the Barons to 29 yards rushing and 17 passing.

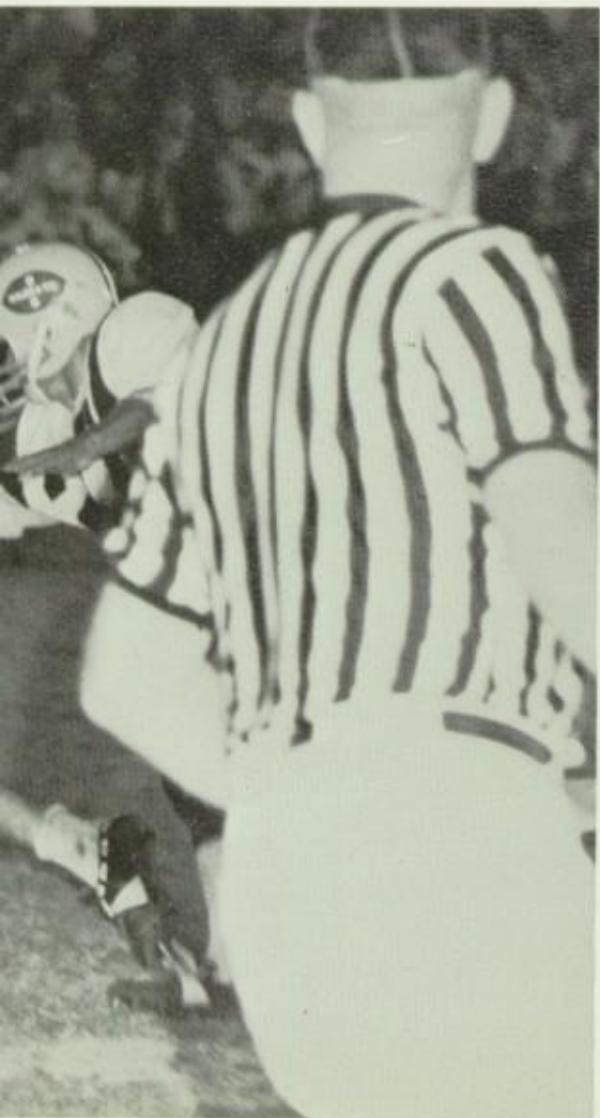

Doug Omer scored two touchdowns, both in the second period. Mark Torriani, Greg Iverson, and Junior Punsalang also scored touchdowns.

Iverson led the rushing with 163 yards and Mark Torriani turned in a great performance with 133 yards.

The defense was led by Al Sanchez and Lee Longenecker who both had interceptions, and Rick Lopez, Steve Knifechief, and Bernie Smernoff.

Magnolia edged the Wildcats of Brea 13-12. In a highly tense game, Brea took a halftime lead 6-0.

In the third quarter the Sentinels scored two touchdowns and Al Sanchez kicked one extra point in two tries. The defense held through the third and fourth quarters until Brea scored with 57 seconds left. The PAT was wide giving Magnolia the victory, their second in two league games.

Corona Del Mar's Sea Kings pulled off an upset tie, to put the first blemish on the Sents league record.

Corona led at halftime, but the Sentinels back with Doug Omer scoring from 6 yards out. The Sents dominated the game but were denied victory when they fumbled on the Sea King's one yard line in the fourth. This was after Steve Knifechief had blocked a punt and Russ Henry recovered. The Sents moved from the seven to the one, but the fumble killed the chances of victory.

Magnolia Rolls Over

Magnolia, using an explosive ground attack rolled over the Estancia Eagles 24-0.

The first explosion was Junior Punsalang's record setting 96 yard touchdown run in the first quarter.

The other explosions were Al Sanchez's 65 yarder and one yard touchdown, and Greg Iverson's one yard blast. Steve Knifechief also booted a 35-yard field goal.

Gary Flood led the defense with three interceptions and Steve Thorton had one interception.

On Fathers' nite, the Sents won their fourth league game by a score of 10-2.

The game's only touchdown was scored on a 55 yard touchdown bomb from Doug Omer to Mike Parks. The other Sent score was a field goal by Al Sanchez.

Steve Thorton intercepted two Tiger passes and Lee Longenecker picked off one.

RIGHT: A Magnolia "STICK".

At Davidson Field for the third time, Magnolia defeated Costa Mesa 16-7. The Sentinels led at halftime 7-0, but a 78-yard run by Ramon Ricardo of the Mustangs put the game into a deadlock.

A beautiful run by Sent halfback, Mark Torrianni, put the Magnolia 11 out in front for good. A field goal by Al Sanchez in the fourth quarter kept the game out of reach.

In their final game of the season, the mighty Sentinel team suffered a defeat at the hands of Loara. This league championship game was one of the most vicious games ever played in Orange County.

The Loara touchdown came after a fake field goal by the Saxons. It was a fourth down play and Harvey Winn completed a pass to Rick Delesk who was tackled before he had gotten enough yards for the first down. Delesk fumbled and a Saxon recovered the fumble 3 yards downfield for the first down. A 15-yard Saxon pass then gave Loara the margin of victory.

Mesa; Loara Defeats Magnolia

Gary De Robbio tries to catch Saxon aerial.

Gary Flood making a tackle on Saxon ball carrier.

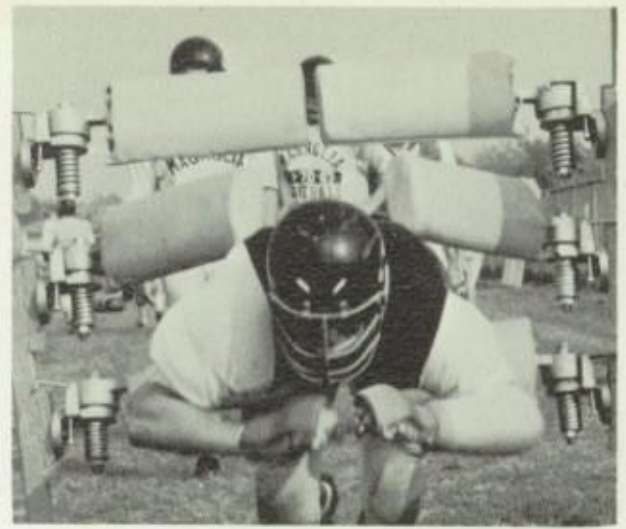

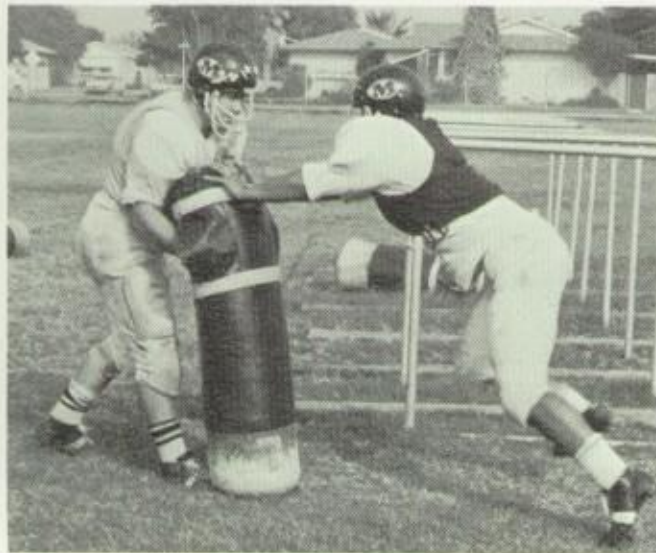

The Magnolia Sentinel football team takes pride in how hard they practice. They feel that they practice harder than any other team in Orange County and possibly all of C.I.F.

A Sentinel practice consists of many things. Chalk Talks start the day, drills on all phases of the game follow, possibly a scrimmage and then Magnolia's patented wind sprints.

This year's team was no exception to the rule. The Sentinels worked as hard as ever to produce the season. With the leadership and desire they had, they had a season to be proud of.

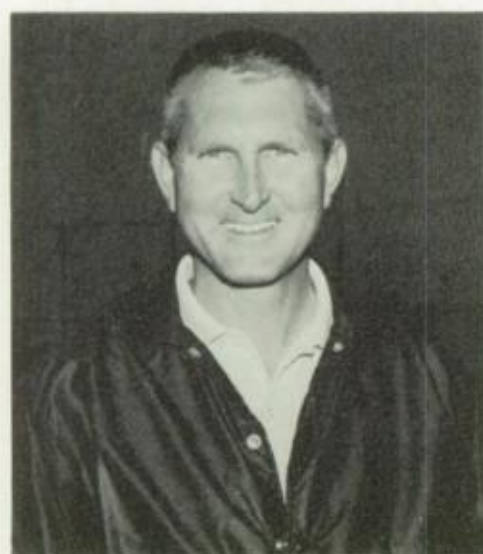

The example set by this team, should be proudly upheld by any Sentinel team to follow in their footsteps. They were a great and true Sentinel team.

Cross Country

Lack of depth once again proved to be the weak point of Magnolia's distance men as the Cross Country team. Although they won more meets than any other team in the history of Magnolia, they finished fifth in the tough Irvine League race with a two and five record.

Two close pre-season losses to Marina and Savanna started the season off on disappointing notes and immediatly told the story of the rest of the season. Bob Atchue brought some hope by getting two first places.

Irvine League action began for the Sents with a 38 to 23 loss to Loara. Fountain Valley's Barons became the first Cross Country victory of the season. A first hand performance by Bob Atchue taking first place and a strong placing by Ken Bensley and Bill James edged the Barons with a 27 to 28 tally. The long distance men captured their second and last victory of the season against Brea, 23 to 32. Disaster was then spelled out for the rest of the season with several injuries and constant defeat. However, the long distance men did better than any other team in the history of Magnolia, and put all their effort into it.

Varsity Basketball

Opening the season against Huntington Beach, the Sents were at the short end with the score 70 to 60. Magnolia was not giving up; it was not long before the Sents were back in action and heading for C.I.F. The varsity dumped Garden Grove by a score of 64 to 53. Magnolia then edged the Wildcats by two points to give us a score of 63 to 61. Destined to bring home a fourth place trophy, Magnolia then suffered defeat at the hands of Marina and Long Beach Poly.

Irvine League play started with a bang, for the Sentinels with 63 points (21 made by Steve Thornton) proved to be just too much for surprised Brea team. Squeezing by Fountain Valley, 63 to 62, the Magnolia force arrived home for the first time after 15 games only to be greeted by a 62 to 52 loss to Corona Del Mar. However, the Sents came back to bomb Valencia 83 to 60. The Sents then ripped through a Costa Mesa defense for an 80 to 51 victory. Coming home for the second time, Magnolia shot down Estancia by a score of 81 to 51. Magnolia with high hopes, went to the Convention Center only to face defeat at the hands of Loara.

Brea fell for the second time against a determined Sentinels team, 65 to 61, to open second round action. With a possible C.I.F. berth laying on the line, the red hot Sents proved who was the better team by snuffing Fountain Valley 68 to 47. Following a second loss at the hands of first place Corona, the Sents battled back to knock off Valencia, Costa Mesa, and Estancia. C.I.F. was now in our hands. The only thing left was revenge against Loara. "Yesterday is gone," cheered the Sentinel fans as Magnolia earned a decision over the Saxons 58 to 51.

The Magnolia cagers then traveled to Huntington Beach for a rematch, this time in the C.I.F. playoffs. Ending the season right where it began, the Sents fell to the mighty Oilers and suffered their eleventh loss, compared to their record setting seventeen wins.

Education does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of letters and the tricks of numbers, and leaving them to turn their arithmetic to roguery and their literature to lust. It means, on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual, and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all – by example.

John Ruskin: Stones of Venice, 1853.
